Subject: OCSPP/RDD National Summer Meeting: June 30: PFAS Session: Outline Feedback by 6/17; Materials by 6/22
[Session 5 PFAS outline.docx](#)

Greetings:

For the upcoming OCSPP/RDD National Summer Meeting, I want to feature a cross-program session and PFAS is a good topic. The objective of this session would be a Multi-Program PFAS Update (Region, OPP, OPPT, OECA) on June 30 from 11:00-12:00pmEST.

I’ve set up a [Team](#) site for this meeting with separate channels for each session. Please provide feedback (speaker/topic/timing) on the attached draft session outline or post directly in the [PFAS teams channel](#) by **Thursday, June 17** and send any meeting materials (powerpoints, handouts) no later than **Tues, June 22, 2021 (1 week from now)**.

Please feel free to reach out with any questions, clarifications. Thank you for your assistance with this important topic.
